

The Maine Thing Quarterlies

The Maine Thing Quarterly is an immersive, media rich e-zine experience that allows readers to step into a part of Maine's culture and lifestyle. Each edition features a different topic.

Somewhere Beyond the Sea

<https://visitmaine.com/quarterly/maritime>

When Europeans landed on the Maine coastline, they found bays and inlets and harbors so numerous and maritime-friendly it was almost as if the rough-hewn hands of nature had designed it for that purpose.

The Art of Maine

<https://www.mainequarterly.com/arts>

For the last two centuries, men, women and muses of all persuasions have followed the whispers of their souls to Maine to pursue their dreams, their aspirations and adventures. But above all, to create masterworks of art in a place that is an unrivaled and unfinished masterwork itself.

Chasing the Sun

<https://www.mainequarterly.com/chasingthesun>

Six explorers came to Maine, allowing a film crew to set their direction. Not knowing what lay ahead, they chased the sun, embracing the spontaneous, unexpected nature of Maine. *(In partnership with L.L.Bean)*

Maine's Local Food Movement

<http://mainequarterly.com/food/>

Long before today's farm-to-table movement was a thing, it was a big thing in Maine. Eat what you grow. This Quarterly also discusses food fresh from the sea and how we bring farm-to-table alive.

The Thoreau-Wabanaki Trail

<http://mainequarterly.com/thoreau/>

It's not every day you get to see a part of America that has remained unchanged for 150 years. Journey through Maine by tracing the steps of famous writer and philosopher Henry David Thoreau and his Native American guides from Maine's Penobscot tribe, part of the Wabanaki Confederacy which still exists today. Travel Maine's Thoreau-Wabanaki Trail with us.

Road Trips

<http://mainequarterly.com/road-trips/>

Hit the road. Travel Maine's scenic byways, including three National routes—Rangeley, The Old Canada Road, and Acadia, which owns distinct recognition as an "All American Road." Gather friends and family, pack a bag, grab the car keys, and give yourself some time.

Beer

<http://mainequarterly.com/beer/>

Take a sip of Maine's thriving craft beer scene in The Maine Thing Quarterly's beer issue. You'll meet the brewers themselves and discover what makes Maine beer unique, and you'll get to know all about the Maine Beer Trail, too. You'll even learn about Maine's pristine water, which is a key ingredient in making the beer exceptional.

Lobster

<http://mainequarterly.com/lobster/>

Read all about the iconic Maine lobster. Beyond the decadent meal itself, lobstering in Maine is a way of life. Generations of families devoted to the sea celebrate a culture steeped in heritage, social responsibility and preservation.

Tool Kits for All Issues
